Credits from certificate or license are based on:

- National Guide for College Credit Workforce Training ([ACE CREDIT](#))
- National College Credit Recommendation Service ([CCRS Online Directory](#))
- Completion of an evaluation by the corresponding UAF academic department*

The student must submit an original certificate/license to the [Office of Admissions and the Registrar](#) for review. There is no cost to have credits posted by certificate or license.

* Certificates or licenses that have not been evaluated by the methods above must be evaluated under the [Credit for Prior Learning](#) program.
